

Mr. Scott Cummings  
Excalibur Technology  
700 Fox Glen  
Barrington, IL 60010

Dear Scott,

The installation of the server went extremely smooth. I know the majority of the thanks goes to Travis (thank you so much Travis) but I also want everyone who was involved from start to finish to be acknowledged. I know I have told you this before but I feel the need to repeat it. I have never worked with a more professional, dedicated, knowledgeable, patient and responsive group of technology consultants. You should all be proud of being a part of such an amazing team! NSSRA feels fortunate to consider Excalibur Technology as part of **our** team. We could never be successful in providing quality and meaningful recreation programs and services to individuals with disabilities without your commitment of providing the absolute best technical support for our agency.

On behalf of the NSSRA Board and staff, I want to express our sincerest thanks.
