Dear Scott:

I wanted to take this opportunity to let you know how much we appreciate the work Excalibur has done for us over the past five years. Since we have teamed with Excalibur, and in particular Dan Krauch, all of our IT needs have not only been met, but your company has exceeded our expectations in not only guiding us through the world of IT, but also in providing us with exceptional service in all areas. This has enabled us to communicate with and accommodate our global clients with the varying technical needs and challenges that we have faced.

I have and will continue to highly recommend Excalibur Technologies whenever the possibility presents itself.

Sincerely,
