Dear Kent,

Our move to our new facility and the merger of the two companies is now complete. We were extremely pleased with the move of our complete network and the work performed by Dan Krauch and Mike Murphy. We rely on you and your associates at Excalibur to keep our network running smoothly and we have not been disappointed. Platinum Support and the 100% Uptime Guarantee have ensured that our business systems are performing at all times. Thank you for your efforts on our behalf.

Sincerely,

Dan H. Miller
