To Whom It May Concern:

This letter will provide a professional reference on Excalibur Technology Corp. Our company has utilized the services of Excalibur Technology Corp. for our IT needs this past year. We have found Excalibur to perform good work, giving attention to detail and to the needs of our systems, documenting server and network events, and providing prompt attention to our off-site locations, along with a quick return of quotations when requested.

Should the need arise in the future, we will again be happy to engage the services of Excalibur Technology Corp.

Sincerely,

A handwritten signature in black ink, appearing to read 'C. Zock', written over a faint blue watermark that says 'CLASSIC CREST'.

Christopher G. Zock  
Vice President of Operations
