Dear Scott:

All of us at Graft, Sciaccotta and Associates, just want to let you and your staff know how great it is working with you to help make our law firm more productive. Your promptness in answering the telephone when we call with some computer question, being here to help us out with a "glitch" in an emergency, certainly makes us more comfortable (computer wise) knowing we can count on you and your staff to pull us through.

The happiest of holidays and the best in the New Year to everyone at Excalibur Technology Corporation!

Very truly yours,

Graft, Sciaccotta and Associates
